TEAM APP - PLAYMETRICS

Invites for new players to create a PlayMetrics account will be sent to the email address used in registration.

¹ October event TBD; Some of our club teams may split between Mountain State Cup/Adidas Clash November weekend

² We will play as many league days as possible depending on player/team availability

³ Subject to change based on field availability - other days may be used for make-up sessions

⁴ Families cover their own travel costs - team participation in a multi-day event usually requires booking from an event host specified list of discounted accommodations - "Stay To Play"; Player registration with applied processing fee required annually - multi child discount available; Final year of uniform cycle cycle for returning players - new players and players coming from last season's younger teams will be sent purchasing information
